

# TSAS Newsletter

10/17

October was an extraordinary month! From new teachers to Fall Festival, Halloween, the PSAT and everything in between, TSAS students, faculty, and families worked together towards a great month of learning!

## FALL FESTIVAL!

The junior class executive council put on a sensational fall festival complete with faux boxing, a DJ, S'mores, face painting, a marriage booth, crepes, a chili cookoff, a salsa making contest, and more!

## WELCOME MS. BRINTON!

TSAS welcomed a new faculty member this month! Ms. Emily Brinton (right) has joined the TSAS faculty to support Middle School students and teachers. Ms. Brinton has 8 years of experience teaching and TSAS is so happy to have her with us now! Welcome to TSAS!

Corey Foster (above right) placed at the regional Cross Country meet in Enid which qualified him for the STATE Cross Country meet. As always, the last day of the month was Halloween, and dozens of TSAS students went all out on sensational costume designs
